

ROOTS OF THE HOOVER PROGRAM

Every American who is interested in the future of his country, every person who devoutly hopes for world peace, every parent with a child approaching draft age—all these ought to read and re-read the address made by former President Hoover last December 20.

This speech is one of the major pronouncements on American foreign policy which has been made during the present generation. Time will add to its importance. It is so logical, so comprehensive and so fundamentally true that it simply cannot be ignored. Already it is conspicuous that those who think they oppose it find it necessary to misrepresent it before they can plausibly reply to it.

Every church and every school, every college and every home, could do worse than make the text required reading.

Mr. Hoover made two fundamental observations about the position and the responsibilities of the American people—first, that it is "sheer folly" for us to consider doing over again what we tried in Korea—making a land invasion against the "Communist mass" of some 800,000,000 persons; and second, that our primary task is to defend and "preserve for the world this Western Hemisphere Gibraltar of Western Civilization."

To do so, Mr. Hoover recommends that we stop trying to buy foreign friendship with money; that we extend aid hereafter only to such foreign countries as have "the spiritual force, the will and the acceptance of unity" which are needed to stand up against Communist Russia; that we prepare to defend our own part of the world by fortifying "the Atlantic and Pacific Oceans with one frontier on Britain (if she wishes to cooperate); the other on Japan, Formosa and the Philippines."

Rather than engage in any more contests on a man to man basis, where we are outnumbered some five to one, the former President urges that we "arm our air and naval forces to the teeth"—preparing hereafter to fight with machines rather than with our sons.

This philosophy has a familiar ring. Where did it originate?

The answer gives one clue to the immense effect which the Hoover speech already has enjoyed.

Back of the Hoover recommendations are the concepts of the founding fathers of our country—men like George Washington, Alexander Hamilton, Thomas Jefferson, James Monroe.

These men gave our foreign policy a bent which dominated it for a century and a half, during which our nation

COMMISSIONERS OF BRISTOL TOWNSHIP INDUCTED INTO OFFICE

GEORGE SOTTUNG WALTER W. BOWKER JAMES E. HARRIS FRANK H. HIBBS EUGENE STUTZ

The Bristol Township Board of Commissioners met and organized for the first time, last evening, in the Newportville fire station. George Sottung was named president and Walter W. Bowker vice-president. The board will meet the first Tuesday evening of every month in the Edgely fire station at eight o'clock. The board takes over the duties of the former supervisors who managed the township as a second class district. The district became a first class district January 1, 1951.

New Year Given Quiet Welcome in Bristol

1951 was given a somewhat subdued greeting in Bristol. There were a few whistles which blew and some fire sirens blasted the air. A few motorists sounded their horns. The clubs were filled to overflowing and, of course, the taprooms were shut tight. The merrymakers in the clubs were well behaved, according to the police blotter. Not a single call was received for police from any of the clubs. Churches held the traditional watchnight services but these were sparsely attended. Firemen received a false telephone call to Schumacher Drive, Bristol Terrace 1, at 2:10 Monday morning. Police made no arrests, no fatal accidents were reported and there were only a few people on the streets.

FORM NEW COMPANY TO RUN STEEL PLANT

United States Steel Co., Is Incorporated Under New Jersey Laws

CERTIFICATE IS ISSUED

TRENTON, N. J., Jan. 2.—The United States Steel Company, a new subsidiary of the United States Steel Corporation, was incorporated Saturday at the State House here. The new company will operate the big steel plant in Falls Township, Pa., for which the preliminary construction steps are now being taken. By special arrangement Ernest R. Kerr, executive clerk in the office of the Secretary of State, issued the incorporation certificate. Request for it was presented by two legal representatives of the concern, Josiah Stryker of Newark and A. L. Mulling of Pittsburgh. The company becomes a new subsidiary of the United States Steel Corporation. It is a merger of four other subsidiaries, the Carnegie-Illinois Steel Corporation, the United States Steel Corporation of Delaware, the H. C. Frick Coke Company and the United States Coal and Coke Company. At present, on the 3,800-acre

COMMISSIONERS ORGANIZE AS BRISTOL TOWNSHIP BECOMES BUCKS COUNTY'S ONLY FIRST-CLASS DISTRICT

George Sottung Chosen President; Walter W. Bowker, Vice-President; and Elwood Britton, Secretary — Roadmasters and Chief of Police Are Selected — Board's Headquarters To Be in Edgely Fire Station and Meeting Night To Be First Tuesday of Each Month.

NEWPORTVILLE, Jan. 2.—Bucks County's first first-class township was brought into being, last evening, when a board of five commissioners for Bristol Township met and formally organized in the fire station here. The district, which had been a second class township, became one of the first class by a vote of the people at the general election last November, as the result of a campaign waged by the Bristol Township Civic Association.

A number of residents of the district attended the induction of the commissioners, and other officers named by the Bucks County Court to assume office as of January 1st. The commissioners named by the court were George Sottung, James E. Harris, Eugene Stutz, Walter W. Bowker and Frank H. Hibbs. Other officers named by the court for the new district were Horace H. Burton, Walter W. Pitzonka, Ira C. Brown, auditors; James F. Turner, assessor; Charles J. Winchester, assistant assessor; Robert Cameron, treasurer, who by virtue of his office as tax collector becomes treasurer of the district. The oath of office was administered the new officers by Max M. Lawrence, justice of the peace, each one being sworn separately. The meeting was called to order by Frank H. Hibbs, who had served as secretary of the supervisors of the district, when it was one of the second class.

BURGESS APPEALS FOR "TIDE OF TOYS"

All Residents in This Area Asked to Join in The Project

DRIVE ENDS JAN. 13TH

To appeal further to the residents of this community for discarded toys to be sent to children in Europe, the "Tide of Toys" now being conducted by Robert W. Bracken Post, No. 382, American Legion, Burgess I. J. Hetherington, Sr., asks all to join in this great movement. "The toys," says the Burgess, "are to be sent to France, Great Britain, Italy, Belgium, Holland, Norway, Germany, Austria, Finland and other areas. The drive will continue until January 13th." The movement has the complete endorsement of the Burgess and it is the aim of Bracken Post to exceed the splendid results obtained last year. The movement last year exceeded all expectations. All those who have toys in usable condition are asked to take them to the Post Home, 619 Radcliffe street and the Post will see that they are prepared for shipment overseas. All manual toys such as dump trucks, automobiles, tractors, dolls, little pots and pans, etc., will give an idea of the type of toys that can be sent by the Legion. The residents are specifically asked not to send any electrical or mechanical toys, and especially do not send any favorite guns or such type toys that suggest war or violence. Burgess Hetherington says, "I am exceedingly interested in this project and I hope the residents here will do their part to brighten the lives of those, whose childhood lives have been blighted by the horrors of war."

ANNOUNCE ENGAGEMENT

Mrs. Clementina DiNunzio, of 807 Garden street, announces the engagement of her daughter, Nancy, to Mr. Eugene Mulligan, son of Mrs. Catherine Mulligan, Buckley street.

SHOT IN THIGH

Earl Remmer, 19, RD 2, Newtown, was shot in the right thigh while visiting at the home of Miss Clara Mayer, Lawndale. He and others were celebrating outside the Mayer home Sunday night when he and others were struck by shots fired by an unidentified person. He was treated and discharged at the Frankford Hospital.

Couple Weds in St. Ann's Church With A Double Ring Ceremony

A double ring ceremony was performed yesterday afternoon at two o'clock, in St. Ann's R. C. church by the Rev. Peter Pinci, when Miss Jacqueline Gilardi, daughter of Mr. and Mrs. Carl Gilardi, 343 Lafayette street, became the bride of Mr. Martin Braam, Jr., son of Mr. and Mrs. Martin Braam, Sr., 80 Schumacher Drive, Terrace I.

Presiding at the organ, was Miss Frances Tamberello, Bristol. Joseph Galzerano, Bristol served as vocalist, singing "Ave Maria" and "The Rosary".

Miss Betty Ann Braam, 80 Schumacher Drive, sister of the bridegroom, served as maid of honor. Her gown was a floor length velvet of peacock shade, having a Mandarin neckline, fitted bodice, full skirt, long pointed sleeves. She wore a rhinestone choker. A cap of white velvet having a peacock shade plume attached, formed her headpiece. Her slippers were silver and she carried a white velvet muff, to which was attached two lavender orchids.

The bridesmaid was Miss Rita Castor, 341 Lafayette street, who chose an American Beauty velvet gown identical to that of Miss Braam's, her white velvet cap having an American Beauty plume. She carried a white muff with two orchids attached, wore gold slippers and a rhinestone choker.

Miss Kathleen Hoag, Trenton, N. J., cousin of the bridegroom, acted as flower girl, she wearing a floor length gown of rose velvet, fashioned similar to the maid of honor's and bridesmaid's and carried an arm bouquet of carnations. She wore a poke bonnet of rose velvet.

The ring bearer, Louis Innocenzi, Logan street, wore a tuxedo and carried a white crepe pillow which held the bridegroom's wedding ring. Joseph Gilardi, 343 Lafayette street, brother of the bride, was Mr. Braam's best man. He also wore a tuxedo.

The bride's gown was of white satin, having long pointed sleeves, mandarin collar, form fitting, full skirt, the front of which had chantilly lace over satin, the back of the skirt of satin ended in a long train effect. The bodice was trimmed in seeded pearls, as was also the crown she wore in her hair, to which was fastened a finger tip veil of net. Her slippers were white satin and she carried a white satin muff with three lavender orchids attached with streamers.

A dinner was held at noon at the bride's home for members of the bridal party and families. At seven p. m., a reception was held for 200 guests in Mutual Aid Hall, Wood street.

After a honeymoon trip to New York of one week's duration, the bride and bridegroom will be at home at 414 Lafayette street.

For the occasion, Mrs. Gilardi, mother of the bride, chose a black crepe dress, black accessories and wore a lavender orchid corsage. Mrs. Braam's selection was that of a black lace dress, winter white accessories, and a lavender orchid corsage.

The bride and bridegroom are both graduates of Bristol High School class of 1950 and the groom is employed in the Printing Department of the Paterson Parchment Paper Company, Edgely.

For her travelling costume the

bride chose a black faille dress with bolera, winter white velvet hat, black bag and shoes and a corsage of white orchid.

The bride's gifts to the bridesmaids were rhinestone necklaces, to the flower girl a heart shaped locket. The groom presented the best man with a watch chain and a signet ring to the ring bearer.

State Legislature Meets at Noon

ed at the nation's defenses against enemy attack.

During the 1951 session, expected to adjourn finally sometime in the late spring, lawmakers will adopt a billion dollar budget for the third consecutive biennium, consider re-appointment to trim three members from the Pennsylvania delegation and reduce it to 30, and enact a social-welfare program to be enacted by Governor-elect John S. Fine in his inaugural address January 16.

Duff, who will go to Washington after the inaugural to be sworn in as a U. S. Senator, set the stage for the A-bomb warning during his meeting with GOP Senators, Fine and Lieutenant - Governor - elect Lloyd H. Wood.

He said he will read his prepared formal address of more than 4200 words at 3 p. m. and then in an off-the-cuff address will tell his audience substantially what he told the Senators.

It was agreed among leading Senators that Duff told them as follows:

"There is no defense against the atom bomb. Bomb shelters are of little practical use because eight minutes is the maximum warning before an attack and people couldn't get into them in time in the event of an A-bomb attack.

"The Federal Government, by appropriating billions of dollars for civil defense is lulling the people to sleep in a false sense of security.

"Therefore, it would be foolish to go overboard and throw the State's financial system out of kilter by appropriating huge sums for civilian defense."

Far More Beautiful...Gorgeous New Interiors...and
an Even Finer High-Compression Engine!

TODAY, we are privileged to present the new Cadillac for 1951—finer and more wonderful from every conceivable standpoint. . . . Numerous refinements in exterior design have made it more lovely to behold—while wholly new interiors, so rich in fabric and tailoring that they defy description, impart a sense of luxury that is simply beyond compare. . . . And, oh, the things that have been done to make it more gentle to handle—and more comfortable to ride in! The changes in this regard are manifold—and the results are a revelation. The car's quietness

is now akin to silence; driving is all but a response to your wish; comfort leaves literally nothing to be desired. To ride or drive is to relax—and to rest. . . . The great master engine has also been refined—down to the smallest details. Its voice is closer to a whisper; its power application is faster; and it's even smoother in operation. . . . And there is an even finer Hydra-Matic Drive—with a new reverse for easier shifting, and for "rocking" the car in sand or snow. . . . There is new steadiness on the road—better balance on turns and curves—easier and softer

braking. And throughout the chassis are vital improvements which add to endurance and dependability. . . . All in all, here is new lustre for the Cadillac name—and a far higher standard for the automotive world. . . . There are ten distinctive body types and four individual series—the "Sixty-One," the "Sixty-Two," the "Sixty Special," and the incomparable "Seventy-Five". . . . Why not come in and see them today? We'd be most happy to see you—and we are certain you'd find it an interesting and enlightening experience.
